# Olé School of Languages and Your Business

We deliver language courses in Spanish, French, German, Italian and English, and can facilitate tuition in other languages also.

We will design a **programme** which specifically reflects your (the group's) needs and interests. The course objectives and goals will be defined in advance, and agreed upon before the start of the course.

The **strategy** is then communicated to all students to help ensure that all achieve their language learning objectives.

Minimum **number of students** for group classes is 6 students (based on pricing schedule below). We recommend a maximum of 12 students per class to ensure the learning process is more effective, however can facilitate more students if there is demand and space allows.

The course **duration** will be as you decide.

We usually run 10 week/ 10 hour or 15 hour or 20 hour courses, however can adapt to suit your schedule.

For non beginners, students are invited to complete an online assessment, if this is the case please advise.
